

FYI

As you are aware, there are certain restrictions on what can be placed in the dumpsters. Many of our owners are in need of having some items removed personally. We were able to find Peter Pelligrino Company to do this. He can be phoned at:

508-981-3488 – cell

508-987-7748 – home

Please leave a message if he does not answer. Also mention that you are from Beacon Park Condos.

You may also find these numbers on the Beacon Park website.

Mr. Pelligrino said that he would pickup either from the garage or if needed from inside the condo itself. It would be up to each individual to make the arrangements with him and, of course, payment responsibility would lie with the individual unit owner.

We have listed some of his **estimated** prices, but again, price arrangements should be made with him.
